Portfolio:

FRONT END DEVELOPER AND UI/UX DESIGNER

Skilled Front-end Developer with a year of experience in creating, designing, developing, responsive and maintaining user-friendly web applications. Proficient in HTML, CSS, Bootstrap, TailwindCss, JavaScript, Reactjs, and other JS libraries with a strong understanding of modern web development technologies and frameworks. Adept at collaborating with cross-functional teams to drive project success. Seeking to contribute technical skills and creativity to a dynamic development team.

TECHNICAL SKILLS

- **Languages:** HTML, CSS, JavaScript (ES6+)

- **Framework/Libraries:** Reactjs, Nodejs

- **Tools:** Git, Npm

- **Design:** Figma, Adobe PhotoShop, Adobe Illustrator

- **Responsive Design:** TailwindCss, Bootstrap, FlexBox, Grid

- **Version Control:** Git, GitHub

- **Continuous Learning**

- **Problem Solving**

WORK EXPERIENCE

Front End Developer Intern April 2023 - Present SQI

- Created multiple responsive websites for mobile and desktop devices using HTML and CSS, TailwindCss, as well as third-party libraries such as React and Node Js as backend
- Developed storyboards, user flows, and sitemaps to guide design progress on multiple projects
- Successfully debugged the web-related issues, leading to improved efficiency and performance with solid and faster user-server requests and responses using PHP

and Nodejs
- Analyzed user research trends and suggested changes to existing design processes for better results using figma and adobe illustrator
- Optimized the user interface for increased responsiveness, achieving an improved user experience for customers
- Employed version control systems such as Git and Subversion to collaborate on projects and manage code
- Coordinated with other teams to understand functional requirements of applications, resulting in a high accuracy rate upon release
- Translated designs from Photoshop to HTML and CSS while ensuring that the UX and UI design are maintained.
- Collaborated with UI/UX designers to implement responsive and visually appealing web interfaces using HTML, CSS, and JavaScript.
- Participated in code reviews, providing constructive feedback to improve code quality and maintainability.

- Eagerly venturing into the dynamic realm of UI/UX design with a burgeoning passion for crafting intuitive user experiences.
- Actively pursuing courses and engaging in practical projects to grasp fundamental design principles, wireframing, and prototyping.
- Collaborative contributions on early projects reflect a commitment to learning and an aspiration to create user-centric designs.
- Driven by curiosity and a thirst for knowledge, poised to further immerse in UI/UX, contributing innovative solutions to shape the evolving digital landscape.

COURSES/CERTIFICATE

SQI Certificate: Front End Developer SEPT 2023

APTLearn - PHP (in view)

Coursera - Mastery in UI/UX

EDUCATION

Bachelor of Laws (LL.B) 2017 – 2021 Osun State University, Osogbo

Master of Laws (LL.M) in Corporate and Finance Law 2023 – 2024 University of Alabama (In View)

ADDITIONAL SKILLS

- Strong problem-solving and analytical skills
- Excellent communication and collaboration abilities
Continuously staying updated industry trends and emerging technologies
